

SAMPLE SCHEDULE

This schedule is an example of the types of activities campers will do each day. Each camper will have their own weekly schedule created from their activity preferences. **Campers MUST choose their activity preferences PRIOR to arriving at camp.** You can find the Activity Preferences options in the 'Forms' section of your [CamplnTouch](#) account.

Some activities will be split by age (e.g. Pioneers & Juniors Basketball/Seniors & Students Basketball) and some will be mixed ages (e.g. Camp Crafts or Culinary). All activities are co-ed. Campers move independently between activities and at each activity there will be specialist staff to run classes e.g. Lifeguards at Boating & Waterfront, Archery & Climbing instructors, and Dance & Cooking teachers.

For their 'Tent Bonding Time' (TBT) activity in the afternoon, campers will choose a different activity for each day, together with their tent group. They will receive a list of options at the start of the session and the counselors will help them work together to make sure everyone gets to do an activity of their choice over the week.
