

Travel Itinerary Form

All travel times must be coordinated with the Camp Office before booking.

The following form is required for airport transportation services and must be returned to the Camp Office at least one month prior to your camper's arrival. Failure to do so could result in a substantial increase (200% per person) in charges for camp-provided transportation.

ARRIVALS: Schedule Arrival flights as close to 12:00 PM as possible.

DEPARTURES: Campers will return to the Airport by 12:00 PM. When booking returning flights, please allow ample time for check in and security check points. A staff member will stay with your campers until 5 pm at the latest.

Camper & Parent Information:
