

CAMPER FORMS & DOCUMENTS

When you register for camp, you will create a 'Camper Account' through CampInTouch. This account is where you will find access to photos, bunk notes, and all the forms we need for your child to attend camp.

When you log in to your account, click on 'Forms & Documents' and you will see the following required forms:

- **Activity Preference** – Please have **YOUR CHILD** select their top 12 activity preferences from the drop downs. Their activity elective schedule will be created using their preferences.
- **All Meds (if your child will take ANY medication)** – This form is required for EVERY medication your camper will be taking at camp, **INCLUDING VITAMINS & OTC MEDS**. It must be signed by your child's doctor.
- **Bunk Requests** – We will guarantee ONE mutual request, as long as the campers are within the same grade grouping. Find out more about our bunk request policy [here](#).
- **Camper Agreement** – Please read through this with your child, then both you and your child must sign it.
- **Camper Photo** – Please upload a current photo of your child to their account.
- **Health History** – This is an online form. Please fill it out in as much detail as possible.
- **Immunization** – List your camper's immunization history. We will also accept your doctor's own form.
- **Individual Plan of Care** – Use this form to tell us anything about your child that will help us to ensure they can be successful at camp, or that you think their counselor should know e.g. they sleep walk; they have a speech impediment; they struggle in noisy environments; they need to know the routine ahead of time; they will only eat a certain list of foods etc.
- **Parent Authorization** – Copy the front AND back of your camper's insurance card and sign & date the form at the bottom.
- **Physician Exam** – Download the form and have a doctor fill it out. We will also accept your doctor's own form.

If you have any questions about the forms, please don't hesitate to get in touch with us by calling 860-435-2557 or emailing info@campsloane.org.
