

COUNSELOR IN TRAINING

YOUR DAY: You will spend your days learning the ins and outs of how camp operates by assisting in both village life and in your chosen activity area/s. Each day you will gain practical experience working with children of all ages as you learn the skills needed to problem solve and work as part of a team. You will not be solely responsible for a group of campers but you will be expected to provide care and guidance to the campers in your tent, as well as working with your peers to write lessons plans and run daily activities. You will work 6 days per week and will be on duty from approx 7:15am-10pm each day (sometimes later). During this time you will teach classes in your activity area, eat meals with your tent group, supervise campers during down-time, participate in free swim and help lead evening programs before putting your campers to bed. YOUR LIVING ARRANGEMENT: You will live in a platform tent with up to 6 campers and 1 senior counselor. There are up to 7 tents in a Village and each Village has its own bathroom.

YOUR PAY: TBD

YOUR DATES: June 22-July 20 OR July 20-August 17.

YOUR STRENGTHS: A passion to learn new things, an interest in working with children, the ability to work hard and have fun!

REQUIREMENTS: You must be a rising 12th grader (i.e. currently in 11th grade) to apply. Previous leadership experience (i.e. the Sloane LEAD program) preferred but not required.

WHY YOU MATTER: Our Counselors in Training are a very special group of people. Most have been campers at Sloane and as such have a different insight into working at camp. CITs can draw on their own experiences to be the best role models possible for their young campers.
