Oreo Cream Pie (AKA OCP)

#SloaneatHome

Ingredients:

(This feeds 8 people)

1 box of instant chocolate pudding (make it with milk – we use 2%)
Oreo cookies (about 10 or so)
Whip Cream
Chocolate sauce

Directions:

- Prepare pudding according to directions on the box and let pudding chill until fully set.
- Crush the cookies into small pieces - you're not making bread crumbs, more like what you might get in a Blizzard at Dairy Queen
- Take a 9" pie pan, fill the bottom with the crushed cookies. Reserve a scant cup of the crushed cookies for the top
- Cover the crushed cookies with the pudding
- Cover with whip cream
- Drizzle chocolate sauce across the top in a reserved but festive pattern. Think thin lines criss-crossing the whip cream.
- Sprinkle remaining crushed cookies on top
- Serve and Voilà!
