JOIN OUR #SLOANEFAMILY

Our **Core Values** are...

- CARING
- HONESTY
- RESPECT
- RESPONSIBILITY

Our **Camp Motto** is...

OTHERS

These ideals are at the forefront of all that we do here at Camp Sloane.

- Working at Camp Sloane YMCA is going to be the hardest and most rewarding job you will ever have.
- When we say 'Summer Camp', what do you think of? You're thinking 'The Parent Trap', right? Sunshine, lots of kids, fun games & activities, time spent at the pool or the lake topping up your tan...
- And you'd be right. Camp is all this and **more!** Camp is more than just playing outside & singing songs, more than meeting new people & trying new things.
- All summer long, you'll live & work alongside your peers & campers, which will be both **rewarding & challenging**. You will experience the **highest of highs** & learn how to cope in **stressful situations**. You will find a **strength & resilience** you didn't know you had.
- Are you ready to join our team and take on this **challenge?**

You'll receive 3 meals a day for the entire summer and access to our Health Lodge. We have nurses on site 24hrs per day. Most dietary restrictions can be accommodated.

Counselors, leadership & support staff live in our platform tents (think 'cabins with canvas walls'), with bunk beds and cubbies, accommodating up to 8 people. Bathrooms/showers are in each Village (group of tents). Directors live in cabins near to the villages.

We are 2.5 hrs from NYC, in the NW corner of CT, situated in the beautiful Berkshire Mountains. We are close to a few small towns where you can get food, shop, go to the movies, or even hike on the Appalachian Trail.
